

One University – OSU Celebrates Columbus Pride!

How to Join in

All participants are eligible to receive a free Buckeye Pride T-Shirt to be picked up on the day of the event while supplies last. Participants can sign up to join us in one of two ways:

1. Join the Student Life Multicultural Center's walking group by emailing the LGBTQ Intercultural Specialist with your name and t-shirt size.
2. Contact the team captain of your group. This person may have sent a separate email to your club, organization or department.
 - If your department has participated as a group in the past, please be on the lookout for an email from your office or department. They will register you as a group.
 - If you want to start a group for this year, please find more information about becoming a Buckeye Pride Captain below.

Buckeye Pride Captains

Thank you so much for rallying your group and serving as a Buckeye Pride Captain for this amazing event! Registering your group entitles you to the following benefits:

- Carry an official Buckeye Pride sign identifying your contingent within the University and making your club, unit/department or office a visible contributor to this event.
The Student Life Multicultural Center will not print signs for groups of 5 or less.
- Receive your t-shirts in advance.
- Receive additional benefits as team captain, such as a free wristband for entry to the pride events.
- Join our One University Planning committee.

When registering your group

- Our RSVP form allows you to upload a list of participants for your group.
- Be sure to label your group clearly, and to include both OSU email addresses and t-shirt sizes (if you want t-shirts) for each member of your team.
- Please wait to register until you have collected names and information for all members.

Frequently Asked Questions

I have a friend/partner/family member who is not an OSU student, staff, or faculty member who wants to attend/participate in the walking group. Can they join us?

Yes, they are welcome to attend! Our t-shirt supply, however, is limited and we ask that you limit requests for additional t-shirts when registering friends and family.

Do you have extra t-shirts for sale?

The Student Life Multicultural Center is committed to keeping our events as accessible as possible, and therefore engages co-sponsorships across campus to ensure that all t-shirts are provided free of charge to participants. Unfortunately, this means that we do not have extra t-shirts for sale.

Does OSU provide transportation to the start of the parade route?

Yes, we offer a limited amount of transportation to and from the event. OSU Transportation provides a bus that we decorate and enjoy on the day of the event. This bus is available to pick up participants who need a ride at the turnaround in front of the Ohio Union before heading out to the parade route. Registrants will receive more information about this as we approach the day of the event.
